

# Incoatec Microfocus Source IµS<sup>High Brilliance</sup>

**Protein  
Crystallography**

**Small Molecule  
Crystallography**

**air-cooled**

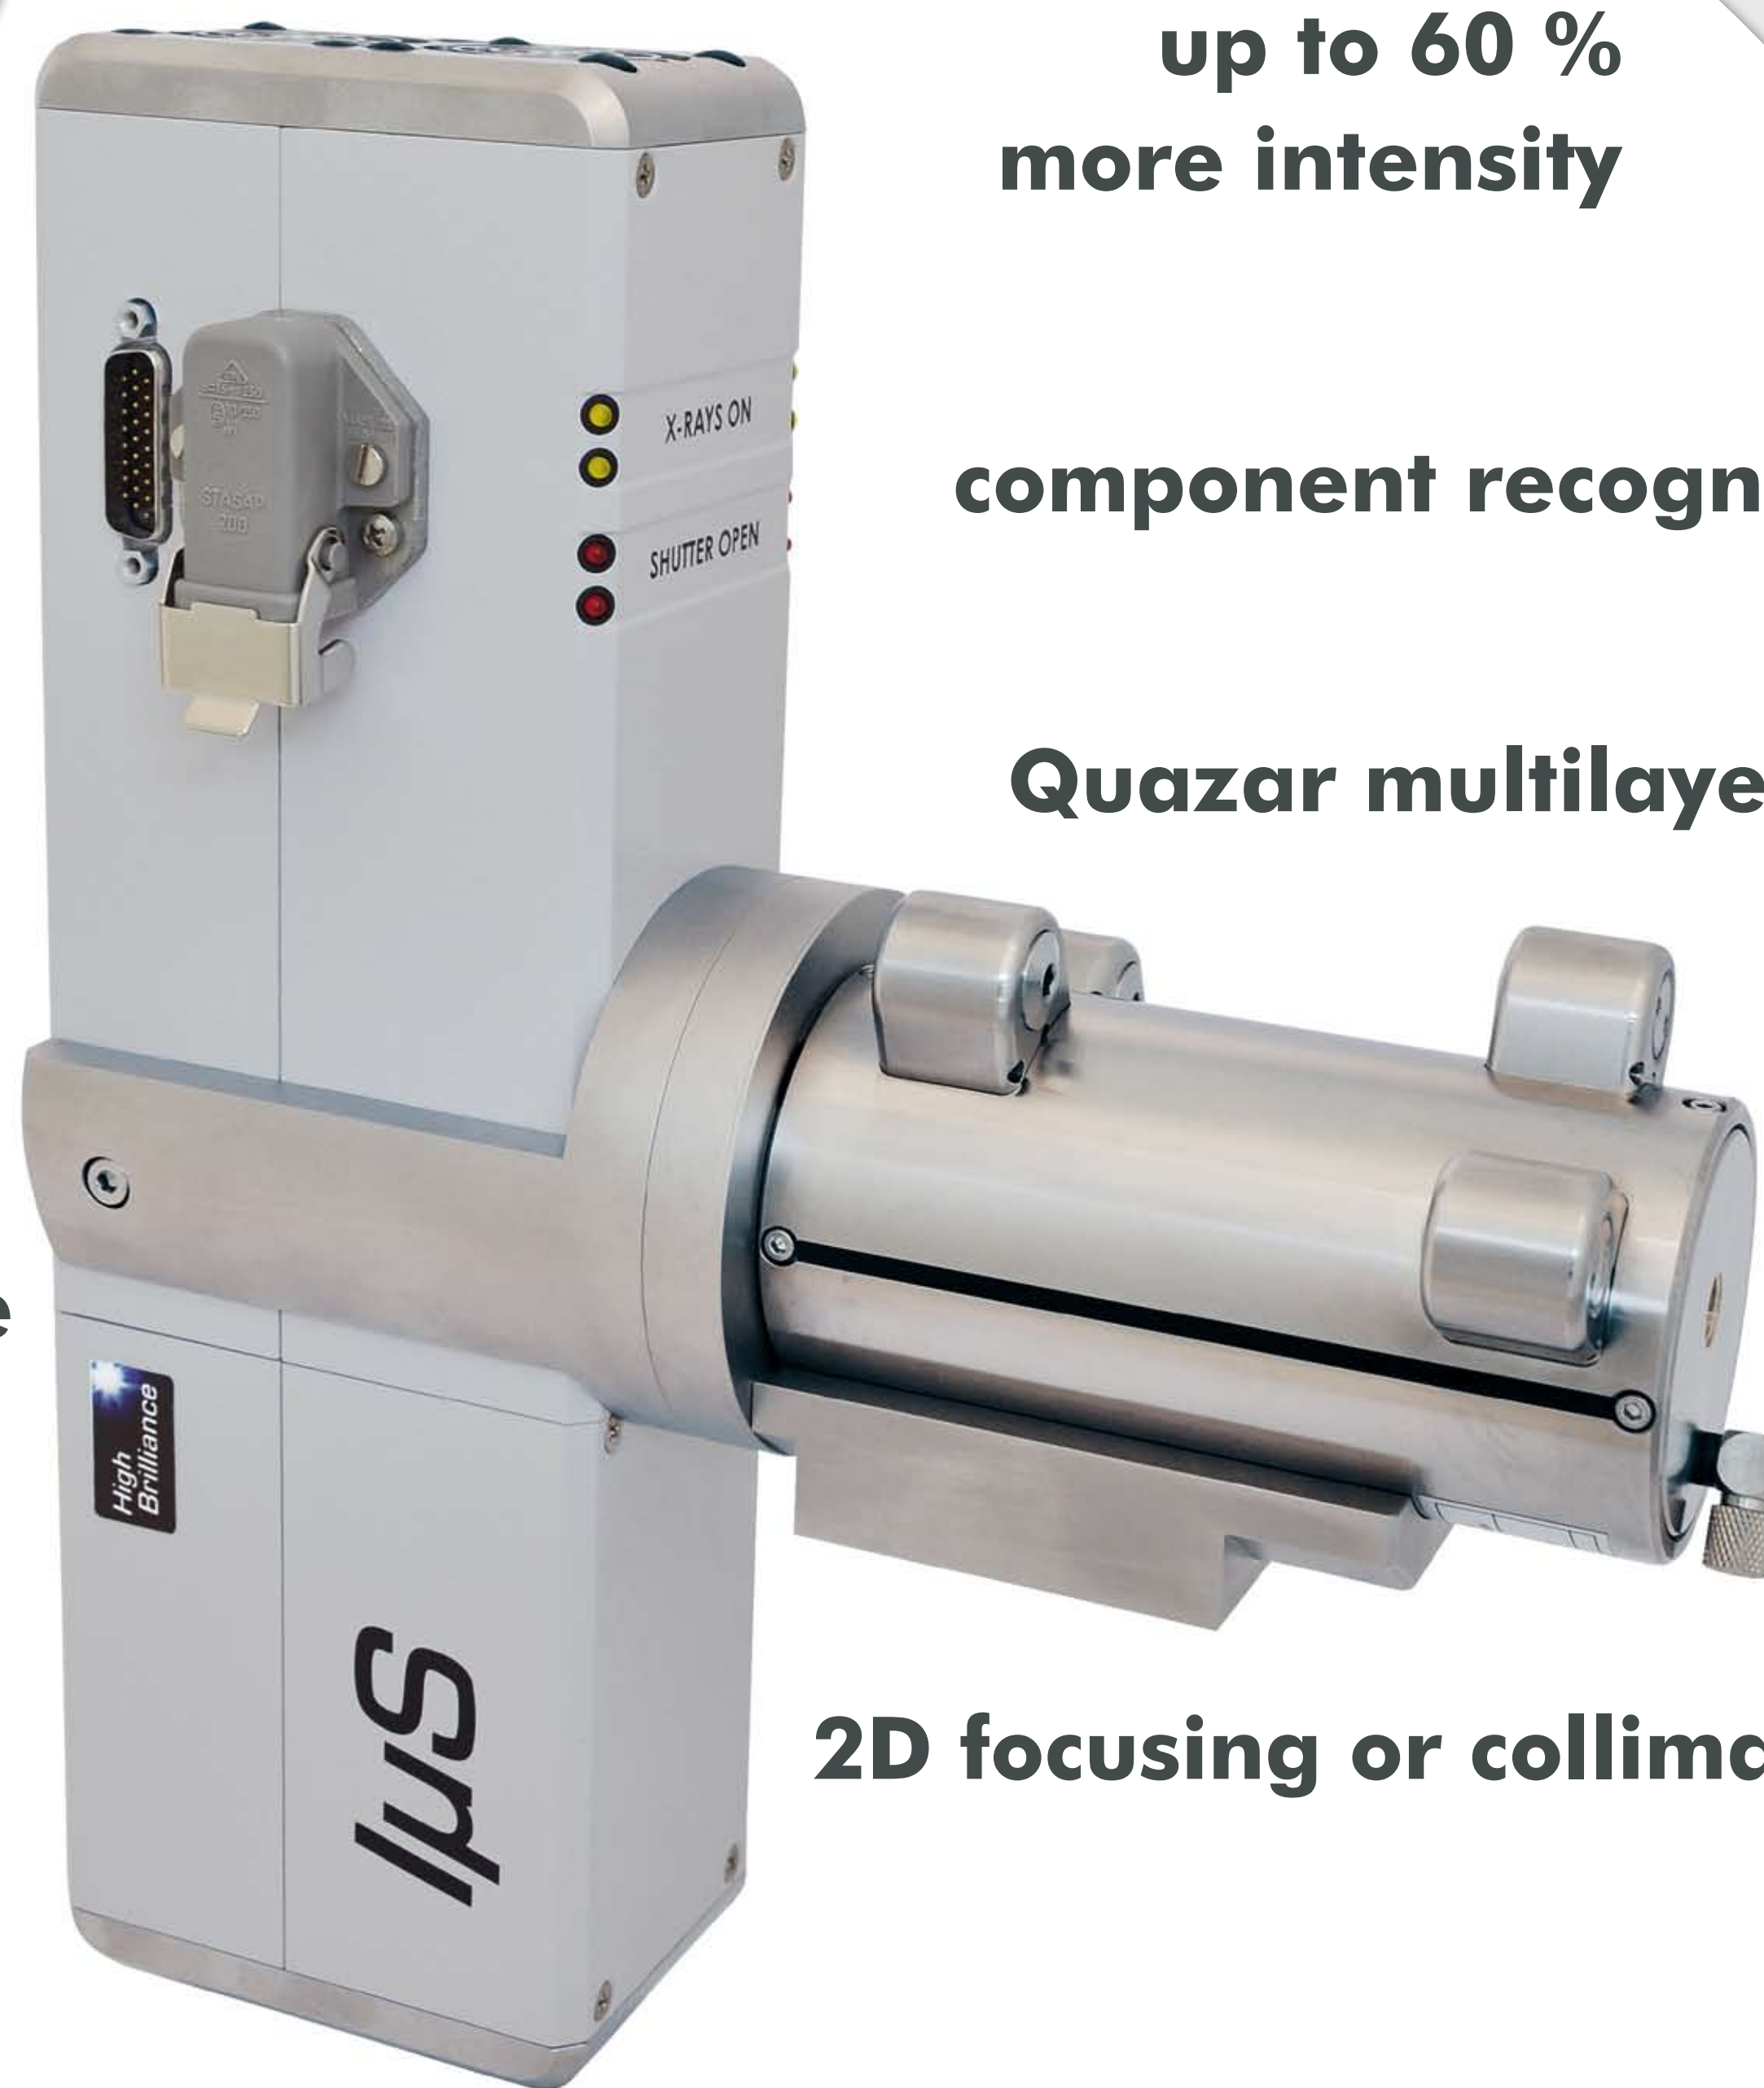

**up to 60 %  
more intensity**

**component recognition**

**Quazar multilayer optics**

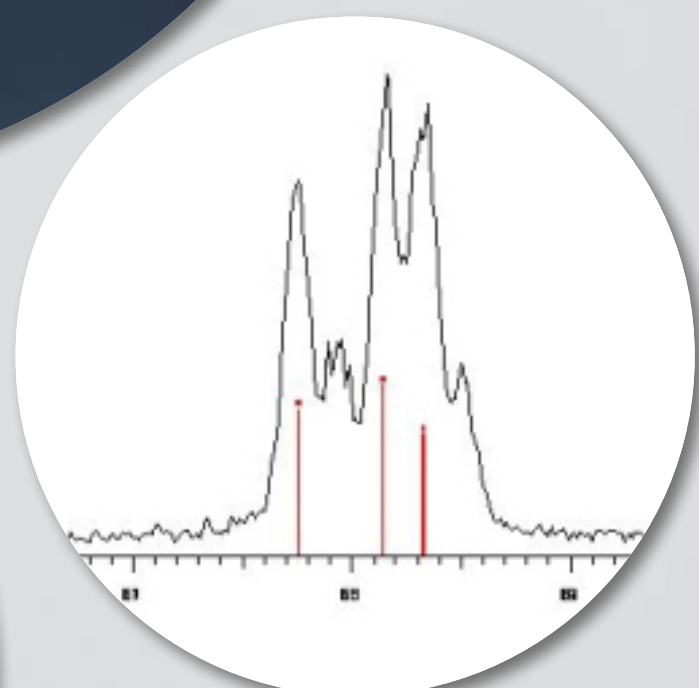

**for Cu, Mo  
and Ag**

**low maintenance**

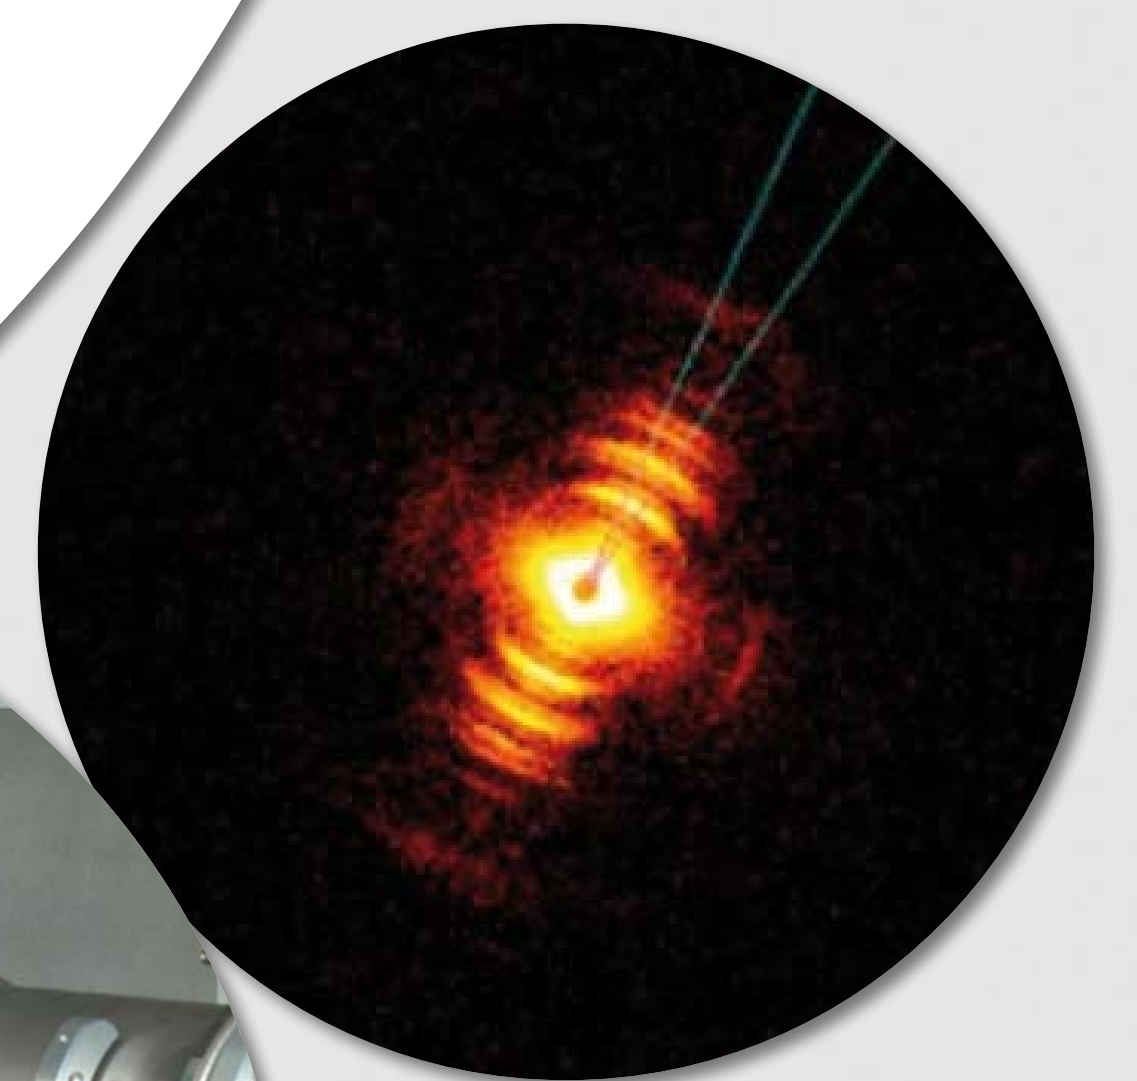

**2D focusing or collimating**

**3 years warranty**

**XRD**

**SAXS**
